NETWORK NEWS

The Monthly Newsletter of the Des Moines Leadership Network

July 2008

IOWA NETWORK SERVICES – A VALUABLE PARTNER

Iowa Network Services (INS) has a unique relationship with the Leadership Network. Not only have they provided the tools with which to build and maintain our website, but they also pick up the web hosting fee each month – and have done so for several years. You may have met Judi Langholz and Vicki Chia as they faithfully attend our monthly business luncheons. Judi has served as a director of the Leadership Network and she participated on this year's By-Laws Committee.

We appreciate the leadership demonstrated by INS, as well as their in-kind contributions to the organization.

SPEAKING OF INS ...

Iowa Network Services is making some changes to the above-mentioned website development software in mid-July. Our site will debut with a different look at the same address as always.

IT'S OKAY TO GO TO LUNCH

Don't fight the feeling on the third Thursday of the month! You can still have lunch with your friends from the Leadership Network this summer. Just pull out the latest **Leadership Network Membership Directory** and find another member who needs to get away from the office. If you don't have your directory, send a note to desmoinesleaders@yahoo.com or call Marlena at 286-4953 and she'll send a copy STAT.

President Dennis Sensenbrenner is working with flood damage around the state and promises a Welcome Letter as soon as possible.

TRANSITIONS AND RECOGNITIONS

David Zahn has accepted a position with Wellmark Blue Cross & Blue Shield. He was formerly with Deerfield Retirement Community.

Past President Jim Hansen's employer, Russell Construction Company, boasts a new honor as one of five nominees for a SafetyXchange safety award. It's no coincidence that the presenting organization recognizes leadership skills as contributors to workplace safety.

RECRUIT NEW LEADERSHIP NETWORK MEMBERS

Leadership Network is all about enjoying a monthly lunch meeting (September through May) with other business colleagues, staying up-to-date on happenings in the greater Des Moines area, and listening to speakers who bring unique business perspectives to share with LN members. As we all know, **word of mouth** is, without question, one of the most effective marketing tools available; and each of us can effectively market Leadership Network membership to our friends and business colleagues. Attached to this newsletter is a membership form – print it off and have it available to give to others. Direct your friends and business colleagues to the Leadership Network website, www.dmleadershipnetwork.org, where they can preview information about the organization. Invite a friend/business colleague to come to lunch with you in September – the food is great and the view spectacular from the 40th floor of 801 Grand!
