JODY JENNER OF BROADLAWNS MEDICAL CENTER IS OUR SEPTEMBER GUEST SPEAKER

Jody Jenner, President and Chief Executive Officer, Broadlawns Medical Center, assumed his responsibilities on April 3, 2006. Before his arrival at Broadlawns, he was the Chief Executive Officer and Administrator of the Pipestone County Medical Center, an affiliate of Avera Health System, in Pipestone, Minnesota. Prior to his employment in Pipestone he was with Lutheran Health Systems and held hospital chief operating officer positions in Wyoming and South Dakota. Preceding his career in healthcare, Mr. Jenner held various management and leadership positions in finance and administration with the IBM Corporation.

Mr. Jenner holds a Bachelor of Science degree in Economics & Finance and a Master of Business Administration degree, both from the University of South Dakota. He also graduated Magna Cum Laude with a Bachelors of Science in Nursing degree from Creighton University in Omaha, Nebraska. He is a registered nurse and a licensed nursing home administrator.

FROM THE PRESIDENT

September begins the transition from warm lazy days to crisp sharp mornings that clear our minds and invigorate our bodies. It also marks the resumption of our Leadership Network luncheon meetings held at the Des Moines Embassy Club at 801 Grand Avenue. The Leadership Network is a group of Central Iowa business leaders who meet monthly from September through May.

Our goal is to feature top notch speakers, learn a bit more about the great businesses of Central Iowa and provide a time to network with old friends and make new business acquaintances. Each month a member of the Leadership Network will share a portion of the program to educate us about their company. We are pleased to announce our first guest speaker is Mr. Jody Jenner, President and Chief Executive Officer, Broadlawns Medical Center.

You do not have to be a member of the Leadership Network to attend, as guests are always welcome. If you are interested in more information about the group, contact any member or visit our website www.dmladershipnetwork.org.

The Leadership Network is a non-profit organization and each year we fund a scholarship for an AIB College of Business student and consider donations to other local charitable organizations.

I look forward to serving as the 2007-08 President of the Leadership Network and on behalf of the Board of Directors, we look forward to a year of growth and development, both in the Leadership Network and as professionals.

Sincerely,
Jim Hansen
